MBA in HR/Marketing/IB/IT/Finance

Level	Duration
Post Graduate	2 Years

Overview

In today's economic scenario, management professionals have taken over as the center of dynamics for businesses. It is clear that the growing corporate world is looking forward for professionals having rich management skills and leadership qualities as the key to success. With the coming years inciting strong drives for change, the need for management professionals has become inevitable. As a result, management studies have started to gain vigor across the country for its progressive prospects. No doubt, the booming business markets have driven many young professionals to pursue management courses as a potential career option. In that regard, the Alakh Prakash Goyal Shimla
