ABOUT DEPARTMENT**FACULTY****COURSES****SYLLABUS****FEE STRUCTURE****TIMETABLE****RESEARCH SCHOLARS****FORMER
ACADEMICIANS****About the Department**

The Department of Management Studies(**DOMS**) is one of the India's oldest and the most prestigious B-schools, established as early as 1955.

Objective

The Institute consequently has developed strong linkages with the practicing world and overtime its faculty members have acquired deep understanding of the issues of major concern for organizations. The education at **DOMS** provides conceptual knowledge to students, enhancing their capacity to resolve concrete problems and inculcate values and attitudes so that they can become effective organizational leaders. From its inception, **DOMS** has offered unsurpassed quality in its academic programs. In addition to its flagship ' Master of Business Administration, ' **DOMS** also offers doctorate course to foster research. We aim to achieve an ideal mix of permanent and visiting faculty that will give the students the benefit of industry exposure as well as a strong research base. The origins and distinctive research of our faculty members ensure that our programs offer content that is state-of-the-art and global in nature. We believe that research and taught leadership will only make **DOMS** truly distinctive. The department has about 30 students, pursuing doctoral programs in various contemporary areas of management. The involvement of the research scholars in deciding the syllabus adds weightage to it.

Mission

To provide leadership in management education by imparting quality and industry relevant knowledge through research.

Vision**Learning Model**

Class room Learning : Lectures, Assignments, Presentation and Seminars.

Practical Learning : Industrial Visits, Group discussions, Case studies, Management exercises and Computer Lab use.

Corporate Learning : Summer project, Term project.

These projects offer : To include students, the feel of die industry and it's functioning even before they actually get in to their professions. This unique learning model provided the students an opportunity for an accelerating professional and personal growth.

DISTINCTIVE FEATURES

Dual specialization concepts.

Electives in cross-functional areas of choice. The students can opt for any subject offered by any Department to supplement their study.

A healthy mix of fresh graduates and experienced candidates.

A large core faculty team supported by visiting faculty from the industry using the best teaching methods.

Enriching association with MMA has been enabling our students to gain insights into the emerging management's concepts and practices.
