JAIPUR**

**Faculty of Agriculture and Veterinary Science
Department of Food and Biotechnology**

SYLLABUS

**BACHELOR OF TECHNOLOGY - FOOD AND
BIOTECHNOLOGY**

(B. TECH. FBT)

SESSION – 2022-23

DURATION – 4 YEARS

**SYLLABUS FOR:
1-8 SEM**

PROGRAM DETAIL

Name of Program	-	Bachelor of Technology (B. Tech.)
Program Code	-	B. Tech. FBT
Mode of Program	-	Semester
Duration of Program	-	4yrs/ 8 Semester
Total Credits of Program	-	211
Curriculum Type and Medium Choice	-	English

Program Outcomes Graduates of the course will have strong background in the interface of modern biology and advanced food technology and be able to use these tools in industry and/or institutes wherever necessary. Graduates of the course will function effectively as an individual, and as a member or leader in diverse teams, and in multidisciplinary settings in food industries.

Specific Program Outcomes Graduates will identify, formulate, research literature, and analyze complex engineering problems reaching substantiated conclusions using first principles of natural sciences and engineering sciences. Graduates of the course will design solutions with appropriate consideration for public health and safety and environmental considerations.
