## OVERVIEW

The MBA-HR program was conceptualized and started in 2011 with the purpose of developing professionals with a strong domain as well as possessing a deep understanding of business and other functions. Over this nine-year journey, through a contemporary curriculum along with strong academia and industry interface, we have been able to develop strong HR professionals placed in organizations across diverse sectors in India and other countries. In the last few years, we have consistently ranked as one of the top-ranking MBA-HR programs in the country.

## HIGHLIGHTS OF THE NEW COURSE STRUCTURE

- Healthy mix of courses and workshops to build a strong knowledge base as well as develop hands-on skills. There are various workshops spread over six trimesters.
- Sector Specific Inputs through continuous interactions with Business and HR leaders along with doing live corporate projects in sectors like Automobile, IT, BFSI, FMCG and Pharma, Business Advisory, HR Consulting, Telecommunications, Retail (e-commerce) etc.
- Business Research Workshops and Dissertation to enhance skills of opportunity recognition, problem identification, critical thinking and ability to work independently.
- A Workshop and a Course on HR Analytics along with an enhanced focus on data and analytics in every course.
- 8-10 weeks of Summer Internship
- Substantial course offerings and workshops from other functional areas
- Capstone- the Business Simulation
