

Development in the international marketing on the one hand and the consequential impact of the same on India's domestic market on the other, call for a professional approach and sensitivity to international business environment. The MBA (International Business) is a foundational course for developing a competent cadre of business executives to meet the country's growing requirements for training personnel in the field of international management. MBA (IB) is a six trimester general management programme with a focus on international business. The programme aims at providing a comprehensive coverage incorporating all the important areas and disciplines relevant to international business activities. The syllabi for MBA (IB) compares favorably with the syllabi of some of the world's best International Business Schools.
