## OVERVIEW

The objective of the Doctoral Programme in Management at Indian Institute of Management is to prepare students for careers in research and teaching in academic institutions engaged in business management and public policy.

### Vision and Objectives

The Doctoral Programme in Management at Indian Institute of Management aims to:

Add substantially to the body of knowledge through research, both applied and - conceptual, and to disseminate such knowledge.

Impact formulation, implementation, and evaluation of public policies.

### Mission

Provide rigorous, inter-disciplinary training that will equip students with the ability to conduct cutting-edge research of international standard.

Contribute to the creation and transmission of knowledge with emphasis on issues faced by firms and organizations in India.

Help meet the teaching and research manpower needs of academia and industry.

### Values

Emphasis on creation of knowledge in all areas of business management.

Professional ethics and intellectual honesty.

Rigor in interdisciplinary research and training.

Building linkages with other leading research organizations.

Students who successfully complete the programme are awarded of the degree “Doctor of Philosophy”
