The Post Graduate Programme in Management leading to:

Master of Business Administration (MBA)

The Post Graduate Programme in Management (PGP) is a master's level programme, leading to the grant of a degree of Master of Business Administration (MBA). The two-year full-time residential programme is designed to equip students to take on leadership roles in an increasingly complex and dynamic global scenario. It lasts six trimesters, spread over two years, with a summer project intermediary. **PGP is one of the most highly placed programmes in global rankings and is currently ranked 31st in the Financial Times ranking -2022 (<https://www.iimb.ac.in/about-institute/accreditation>).**

IIMB benchmarks its curriculum against the best in the world to ensure that it delivers quality business education, based on the best pedagogic practices. The course content and design are inspired by management practices backed by a strong fundamental framework with an orientation towards contemporary and emerging management issues. The programme lays the foundation for conceptual and analytical reasoning and gives the students an insight into the dynamics of business. It revolves around the principle that business leaders are not mass-produced; they are nurtured and developed with care. IIMB believes in building leaders through holistic, transformative and innovative education.

IIMB has multi-disciplinary Centres of Excellence that focus on different areas such as Capital Markets, Corporate Governance & Citizenship, Entrepreneurship, Public Policy, Supply Chain Management, etc.

At the core of IIMB is its faculty, a 140-plus group of highly qualified researchers, academicians and practitioners from universities and industries worldwide. The faculty members generate knowledge through cutting-edge research and consulting in all functional areas of management.

THE IIMB EDGE

IIMB's curricula, innovative teaching methods, exposure to industry-best practices and experiential learning emphasize the distinctive challenges of managing in the global context. Various clubs, social projects, action-oriented courses, contemporary studies and student self-governance initiatives help develop critical thinking and leadership skills.

The PGP has nurtured some of the brightest young minds of India for more than 40 years.
