Diploma in Pharmacy (D.Pharm)

About D.Pharma course

The Diploma in Pharmacy (DIPA) is a short course for people who want to start a career in pharmacy. DIPA is the best option for candidates who want to get started quickly in the pharmacy field, as opposed to regular and long-term courses like B.Pharma and M.Pharma. D.Pharma can be important for a good start because it will help you understand the basics of pharmacy while you practice. You can choose to pursue B.Pharm and M.Pharm degrees in the future.

At its Gurgaon campus, known as the best D Pharma college in Haryana, K.R. Mangalam University's School of Medical and Allied Sciences (SMAS) offers a Diploma in Pharmacy. It is a full-time course that lasts two years and teaches the fundamentals of pharmacy education, such as how chemistry is used in the pharmaceutical industry and how biochemistry, pharmacology, and toxicology are used in practice and theory.

Highlights of the Program:

The Best D.Pharmacy College in Gurgaon only educates and trains highly experienced academics and industry professionals.

- 1) To prepare its students for the future, K.R. Mangalam University ensures that they have access to cutting-edge laboratories and equipment.
- 2) Industry leaders recommend the Diploma in Pharmacy Course Curriculum at K.R. Mangalam University for future pharmaceutical pioneers.
