IIHMR University

IIHMR University Jaipur, India has made pioneering contributions to research, education, and training in the areas of health management and public health. The University is a national leader in these domains. Over the past thirty-five years IIHMR has carved a niche for itself among management institutions, both in India and abroad. In its long journey built around a culture of action-oriented research, the university has worked collaboratively with the Johns Hopkins Bloomberg School of Public Health, USA – as well as international agencies like the World Health Organization (WHO) and United Nations (UN) in a range of research, training, and education activities.

Faculty

Johns Hopkins BSPH faculty and IIHMR faculty with faculty appointments at Johns Hopkins BSPH will teach all courses. Students will attend courses taught by IIHMR faculty in person in Jaipur at the IIHMR campus. Students will attend on-line courses taught by Johns Hopkins BSPH faculty, in addition to attending one course in-person in Baltimore, MD, during Winter/Summer institute at Johns Hopkins BSPH. Students will take the online courses with other Johns Hopkins BSPH students from different parts of the world who are enrolled in diverse academic programs. All courses will be taught to the same high standards for which Johns Hopkins BSPH is known worldwide. Johns Hopkins BSPH faculty will work with IIHMR faculty to tailor the content of Johns Hopkins BSPH core courses to the reality of India, with Indian case studies and examples.

Students Speaks

Doing MPH from IIHMR, Jaipur, is the best decision one can take, for their public health careers, in my opinion,
offered by Johns Hopkins Bloomberg School of Public Health, the number one public health school in the world
with the best in health management i.e. IIHMR, Jaipur. The experience of Johns Hopkins combined with excelle
makes this course one of it's kind in the world. One gets a world renowned and world recognised degree, with b
and support and that too in a very economic budget.
