Master of Arts (MA) Sanskrit

What is M.A. in Sanskrit?

M.A. in Sanskrit is a postgraduate programme built on the fundamentals of Vedic and Sanskrit literature, Indian philosophy, ethics, and Sanskrit grammar. It is a historical Indo-Aryan language that serves as the principal liturgical language for Hinduism, Jainism, and Buddhism. The state of Uttarakhand has made it an official language. This course in Sanskrit teaches students about Sanskrit epics in Indian literature, poetry, drama, and the history of Classical Sanskrit literature.

Students in this course learn to read and write in the Devanagari script, which will help them create digital posters, compose poetry, and write theatrical plays in Sanskrit. Sanskrit Philosophy, Meghdutam, History of Classical Sanskrit Literature, History of Vedic Literature, History of Sanskrit Grammar, Harsacaritram, and other disciplines are covered in the MA Sanskrit course curriculum.

Students are not limited to translating literature; they may also make significant contributions to music, mass media, tourism, and education. The M.A. in Sanskrit course primarily teaches the language's fundamentals through daily usage, discussion, and role-playing. While following this path, the students will receive practical explanations and instructions on building sentences in Sanskrit. Sanskrit reading and writing abilities of the students is boosted. This programme will gradually teach a practical understanding of forms, cases, and tenses.

The M.A. Sanskrit course is meant to place a strong focus on Acarya Sankara's Philology of Sanskrit:

Atmabodhaprakaranam.

The Development of Classical Sanskrit Literature

The Evolution of Vedic Literature

Manuscript and Research Methodology

Patanjali's Mahabhasya.
